

Ogunsola Toluwalase Emmanuel

Frontend Developer

HELLO, my name is Ogunsola Tolu. I'm a self-taught result-oriented web developer, offering extensive skill-set in frontend development, and effective problem solving skills. I'm highly educated in various programming languages and coding and I'm looking for a position in a fast-paced company that appreciates hard work, dedication and evolving technical skills. Besides programming I also possess other useful skills such as content creation for marketing and E-commerce purposes. I am dedicated to self-development to provide expectation-exceeding service.

Asides my technical skills I also possess very valuable soft skills such as:

- . Team spirit
- . Articulate communication.
- . positive discipline.
- . Team-work.
- . Emotional intelligence.

Throughout my career as a Frontend developer I've focused on developing scalable and well documented code. I enjoy working collaboratively and I'm a very good team player but I can also run with projects on my own. Excited about the prospect of joining a product-driven company like yours
